Case No. 19-083

**SUMMARY ORDER**

NOW, on this 21<sup>st</sup> day of August 2019, comes before the Kansas Board of Pharmacy (the "Board"), through its Executive Secretary, the matter of Lucinda Lynn, ("Applicant"), for application for registration as a Kansas pharmacy technician.

Pursuant to the authority granted to the Board by the Kansas Pharmacy Act, K.S.A. 65-1625, *et seq.*, and in accordance with the Kansas Administrative Procedure Act, K.S.A. 77-501, *et seq.*, the Board's Executive Secretary enters this Summary Order in the above-captioned matter. After reviewing the application materials and being otherwise duly advised in the premises, makes the following findings, conclusions and order.

**FINDINGS OF FACT**

1. On February 25, 2019, the Board received Applicant's application for registration as a pharmacy technician in the State of Kansas ("Applicant's Application").

2. Applicant answered "Yes" to the following question on her application: "Have you been charged with or convicted of (includes plea of guilty or no contest) a criminal offense or is there any criminal charge now pending against you (other than minor traffic violations) in any state or federal court whether or not a sentence was imposed, suspended, or diverted? This includes misdemeanors."

3. In her application, Applicant provided a brief S-150 Personal History form statement, noting misdemeanor prostitution citations and worthless check offenses.

4. On March 13, 2019, The Board mailed Applicant a letter requesting more details of the offenses, as well as certified copies of the court pleadings from each case.

5. On or about May 2, 2019, the Board received the requested documentation. Applicant provided letters of recommendation and proof of upstanding coursework and community volunteering.

6. Subsequently, the Board's Individual License Evaluator conducted a phone interview with Applicant. Evaluator noted that Applicant's present moral fitness is much improved from the last conviction 10 years ago. Applicant indicated that she is focused and ready to begin her externship. Applicant has completed all court requirements, and reports mental health treatment. However, Applicant does not acknowledge her participation in the solicitation arrests, or demonstrate consciousness of the wrongfulness of her actions there.

#### CONCLUSIONS OF LAW

1. Pursuant to K.S.A. 65-1663, the Board may limit, suspend, or revoke a registration or deny an application for issuance or renewal of any registration as a pharmacy technician on any ground which would authorize the board to take action against the license of a pharmacist under K.S.A. 65-1627, and amendments thereto.

2. Pursuant to K.S.A. 65-1627(a)(2), the Board may place in a probationary status the license of any pharmacist upon a finding that the licensee has been convicted of any felony or misdemeanor of gross immorality or moral turpitude, and the licensee fails to show that the licensee has been sufficiently rehabilitated to warrant the public trust.

3. Pursuant to K.S.A. 65-1627(a)(3), the Board may place in a probationary status the license of any pharmacist who has been found guilty of unprofessional conduct.

4. Pursuant to K.S.A. 65-1626(uuu), unprofessional conduct means conduct likely to deceive or harm the public.

5. Applicant's misdemeanor convictions are a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(2), as she has not demonstrated wrongfulness of her actions to show that she has been sufficiently rehabilitated to warrant the public trust at this time.

6. Applicant's solicitation misdemeanors and worthless check offenses are unprofessional conduct and a basis to place Applicant's registration in a probationary status pursuant to K.S.A. 65-1627(a)(3).

Based upon the foregoing findings of fact and conclusions of law, Applicant's Application for issuance of pharmacy technician registration is hereby GRANTED subject to a 2-year probationary status. The terms of Applicant's probation are as follows:
